THE DAT-ORAL SCIENCE RESEARCH AWARD PROGRAM:

The DAT- Oral Science Research Award Program, conducted and sponsored by the Dental Association of Thailand (hereafter DAT), provides the opportunity for one undergraduate student from each accredited dental school in Thailand to participate in the Annual Scientific Session of the Dental Association of Thailand and to compete for an award.

Definition of Program

The DAT-Oral Science Research Award Program is an oral presentation of research work, which emphasizes on basic oral science research. It must be orally presented completely in no more than 10 minutes to judges during period of the DAT annual session.

Presenter must be able to provide the answers to these questions.

- *What is the research question?*
- *What are the new findings?*
- *What is the clinical implication?*

The presentation must be demonstrating rationales, methods and results of research which have immediate relevance to pre-clinical science basis to dentistry.

Eligibility

The DAT- Oral Science Research Award program accepts the work done in the presenter's dental school, selected through a selection process at his/her school, and has never been awarded nationally or internationally. Participants must be undergraduate students or graduated with a D.D.S. degree not more than one year at the time of presentation at the D.A.T. Annual Session. Participants must not be postgraduate students at the time of presentation. A presentation may be developed by two or more students but only one student from each school is eligible to present for judging and receive financial support from the DAT.

Invitation to Participate.

The initial letter of invitation to participate in the DAT- Oral Science Research Award Program is forwarded to the Dean of each school. The Dean will indicate whether or not the school will participate and name the faculty advisor to whom future correspondence should be directed.

Regulations

Should*

the use of trade names be advantageous to the viewer's understanding of the presentation, the rationale should be submitted in writing to the Dental Association of Thailand 15 days in advance of the annual session requesting the Dental Association of Thailand approval. Commercial promotion of a product or service by trade name is absolutely prohibited.

- 6. All presenters must report to the designated online platform, detail is to be provided later, half an hour before the judging session begins.*
- 7. Only one presenter is permitted during the judging session.*

ANY VIOLATION OF THE ABOVE REGULATIONS WILL AUTOMATICALLY DISQUALIFY THE STUDENT FROM COMPETITION.

Method of Selection

The Dental Association of Thailand does not designate a specific procedure for the selection of students. However, the Association does require each school to utilize the mechanism of a student competition conducted either by the student association or the school itself. It is acknowledged that each school has its separate set of rules or guidelines in the selection of the student winner. However, it must be understood that the student who participates in the program must adhere to the regulations established by the Dental Association of Thailand.

Registration for Annual Session

All students will be pre-registered, courtesy of the D.A.T. The badges will entitle them admission to all scientific sessions as well as the technical exhibition area.

Time of Presentation

Students are required to present their works to the judges only in an online closed session from 9.00 am to noon on the day designated.

Expenses

The finalists will receive 5,000 Baht/team, from the DAT, as travel expense to the annual session. Usual documents supporting travel expenses must be provided for reimbursement. Participants are required to be present at the annual meeting for award presentation (time and location will be provided).

Award Ceremony

Award ceremony takes place to honor all the student researchers participating in the program at the DAT annual ordinary meeting. The students will receive the recognition they deserve as the official representative of their dental schools. Awards will be presented to winners of the first and second prizes. Invitations and RSVP cards are forwarded directly to each student, dean and faculty advisors from the DAT.

Awards

The winners will receive awards from the DAT including:

- 1. First prize winner receives a travel prize to the FDI Annual World Dental Congress, which his or her work is to be presented as a part of the FDI Scientific Program. Transportation, hotel, hotel transportation and meal expenses to the FDI World Dental Congress are provided by the DAT.*
- 2. Second prize winner receives a travel prize to the IADR-SEA division annual meeting, which his or her work is to be presented as part of the Scientific Program. Transportation, hotel, hotel transportation and meal expenses to the IADR-SEA meeting are provided by the DAT.*

Suggestions

The following suggestions are designed to assist students in the preparation:

- 1. Judges are looking for scientific substance and are not impressed with sophisticated gadgets, etc.*
- 2. A complete oral presentation in English must be no longer than 10 minutes.*
- 3. The presenter should be prepared to answer questions regarding the presentation.*

Responsibility of School

Each eligible school is required to complete a form furnished by the Dental Association of Thailand indicating its desire to participate in the program and listing the name of the faculty advisor who will assist the student in properly fulfilling the requirements of the program.

Responsibility of Faculty Advisor

It is imperative that the faculty member appointed by the dean to serve as the advisor should make sure that every aspect of the student's research presentation is in compliance with the regulations established by the Dental Association of Thailand. The advisor should also see that the student returns all completed forms by the due date.

Responsibility of the Participants

- 1. Complete all forms and necessary documents via online system furnished by the Dental Association of Thailand no later than November 16, 2021.*
- 2. Submit a long abstract in English (maximum of 2 A4 pages) to the Dental Association of Thailand, via online submission system, with a recent formal photograph of the presenter as an attached file with a resolution of no less than 2 MB.*
- 3. PDF file of the presentation must be electronically submitted to the DAT by December 8, 2021.*
- 4. Remain at the DAT annual session for award presentation.*
- 5. Pay incidental hotel charges when checking out (room service, phone calls, mini bar, etc), if any.*
- 6. An expense for shipment of materials for presentation is not available.*
